TAP

Talented Athlete Program

GOALKEEPER

We are looking for 30 keepers to join our Talented Athlete Program for 2025/26.

What's unique?

You will be coached by Top Level **International Keepers** on a number of GB Workshops throughout the year. We have three age/ability groups:

Adult: [18+]

Talented Athlete: [TA Nominated / Playing TA]

Aspiring Athlete: [10-13 years]

Mission:

Create an inspirational environment for Goalkeepers to thrive and develop.

We understand that Goalkeepers are looking for excellent coaching, support and expertise to ensure they are technically proficient and can perform at their best in pressured situations.

About / Overview of the TAP.

We have recognised the opportunity to support keepers throughout the year.

Filling the void, and creating excellent environments that stretch and inspire you as a keeper.

We know that the outfield game is evolving, and so must you as a keeper.

We appreciate the pressure you face and overcoming that can allow you to perform at your best.

You might have a blinder of a game, but still loose, we'll support your mindset goals and game management.

About Us:

The Performance Hockey Coaching Philosophy is built on three core values:

1. Create Technically brilliant players
2. Encourage Creativity when playing
3. Make playing enjoyable

We have delivered coaching courses, programmes and camps for nearly a decade and a half, and in that time thousands of players have become the best that they can be. With many going on to represent England and Great Britain.

Matt, who represented England U21s and played in a Junior World Cup is recognised Globally as a top-level coach and his passion for the sport shines through on the pitch.

Is this you?

1. You want to achieve the best you can within the sport?
2. You want to stand out at the TA festival, Trials and Assessments, or perform at your best?
3. You can see other players make selection and don't want to be left behind?
4. Feeling frustrated that there are opportunities there for you, and you want to grab them with two hands and make the most of them?
5. You want more than just hockey coaching, but support and guidance?

Ollie Payne

Great Britain & Olympian

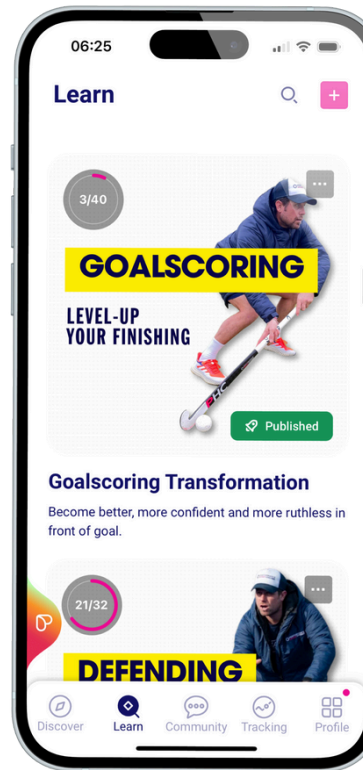

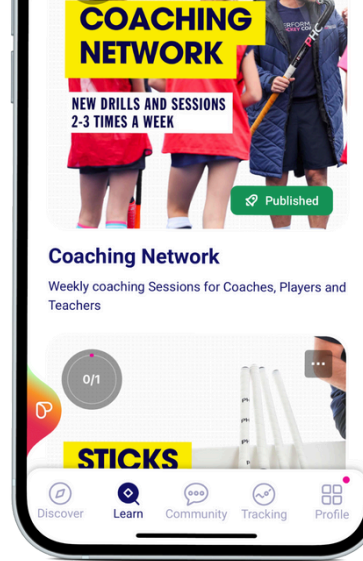

It was excellent to work with Matt creating the content for the App, he clearly has an excellent program".

The Coaching App

We have a World-Class Coaching App that will support your game and development.

Packed with content from high-performing keepers like Ollie Payne and Jess Buchanan.

How it works & what's included?

1. PHC will put on **6-8 training days** throughout the year at top-level venues, that include: Bisham Abbey, and other key clubs / facilities. You can attend as many as you like, and we would recommend a minimum of four/five.

These specialist days will run from 10-16.00, and have up to 24 keepers working with GB Keepers and other top-level Keeper coaches.

2. Mentoring and support where you need it. Reach out to us when you need, ask questions and seek advice.

3. Opportunities for 1-2-1 sessions and individual support

4. Webinars and Presentations from England and GB players.

5. Sponsorships of 25-50% OFF PHC sticks and equipment

6. Access to the PHC App

7. Become apart of a top-level community of players

Outcomes

Build confidence in your technical skills, game i.q. and become an athlete that competes and delivers in pressured environments.

We'll create environments that stretch you, and challenge you, broadening your capacity and understanding.

Get inspired by Top athletes and players ahead of assessments, trials, tournaments, and games.

Take accountability of your pathway, goals and performances.

Become the best player you can be.

Cost:

Your yearly membership is just: £399.00

[Entitles you to join us for 4-8 camps per/year] + Additional support as documented.

Performance Camps delivered by PHC are typically £60 p/day, so this represents great value, along with the additional support.

*First limited cohort of players will be invited to Join by **August 1st**, if successful.*

Our First session will be at **Bisham Abbey**
[Home of Great Britain Hockey] in October
Half Term.
